Charity Sale Event Cancellation

We are extremely sorry to announce that our charity fundraiser sale has been cancelled until further notice.

Accidentally some product of a specific donor was mixed into the charity sale product. Due to respect to our donors we do not want to take any chance in jeopardizing our good relationship with this donor, by violating their regulations for the usage of their donated product. It is for this reason that we have made the decision to cancel the Charity Sale Event.

Harvest Time International apologizes for any inconvenience! We are very saddened ourselves, and we hope you will understand!

Since you are already here we would like to give you a tour of the work we do locally, nationally and internationally; especially if you do not know us yet.

Sincerely,

Your team at Harvest Time International
